Chapter 5

NSUARB

Matter #M04102

This was one of the easier chapters to write since Matter #M04102 is being kept secret by NSUARB. Its decision to deny an appeal is however itself presently being appealed to the Nova Scotia Court of Appeal.

If you could, here is where you would read about Our Case. There should be 116+pages of documents.

Bur, at the present time, these documents are being kept secret despite our request that they be made public subject to our verification that the documents are in fact the same as the ones forwarded to us in an unsecured manner.

On the other hand ,here is where you can find the Appeal Book and related statements about our Appeal to The Nova Scotia Court of Appeal
